

**Sustainable Agricultural Commune
Community Participation and Land Survey
Questionnaire**

The Sustainable Agricultural Commune (S.A.C.) is a community-participant, - owned and - operated (that means you and your neighbors) food independence initiative designed to provide healthy, affordable / “free” food and community-based jobs by inventorying all community-specific land, demarcating its ownership and converting all unused land into community-owned agricultural land. Your answers in this questionnaire will aid S.A.C. activists in bringing this initiative to your community and ensure your direct inclusion and the inclusion of your family.
